

# PROGRAM PICKER

Pick your top 6 career choices (it is ok if you don't have 6)

I mean choose anything: CEO, Film Director, Ballet Instructor, Engineer, Teacher, Pharmacist, Lawyer. Whatever you can think of is fair game. This is your life.

# SOMETHING TO THINK ABOUT

What are you good at (skills, talents)?

What do your friends tell you that you are good at?

What are your passions?

What are the job opportunities like for the programs you are interested in?

How much do you want to pay for school?

## SOMETHING TO THINK ABOUT

How many years do you want to spend in post-secondary?

What is the expected income look like for the job your program will help you obtain?

What does a day look like in the field you want to make your career in?

What is a job role that will fulfill you personally?

Where do you want to live?

# WHAT MATCHES UP
